Class based v Work based

Class based

- Structured education
- Couldn't recreate reality
- Widely focused
- Mingle with like-minded learners usually at same stage of development
- Full-time, difficult to earn and learn

Work based

- Reactive (depends on what lands on your desk)
- Realistic
- Focus on practice areas
- Mingle with broad cross-section of experienced learners from different disciplines
- Earn and learn

Nigel Hudson presents his personal reflection on legal education

Jon Harman encourages innovation in legal education

- An audit tool for Comp regulators
