

Implementing SCALE-UP in undergraduate law

Pamela Henderson
Nottingham Law School

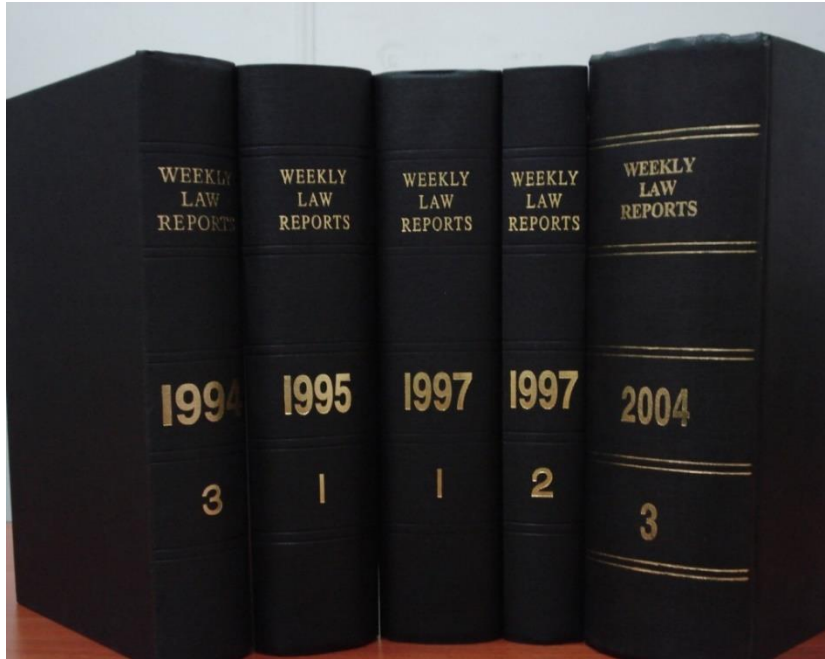

What we do now?

But we have seminars too!

Where does technology fit into this?

What is SCALE-UP?

SCALE-UP modules:-

- English Legal Method
- Crime
- Trusts (yes, really)
- Evidence

Where did SCALE-UP start?

- what is “density”;
- research methods;
- conduct experiment;
- locate key data;
- measure the object;
and
- do the maths!

Challenges in undergraduate law - design

- Discursive
- Not seeking 'the right answer'

Challenges in undergraduate law - tech

Linking discourse and technology
